## HOW IT WORKS:

Once you have expressed an interest, asked questions and you are satisfied with the answers, you place an order, you pay 50% of the total amount (R4000), we send you the following:

- Email a few pictures for Approval of your proposed Font/Art Work for your Brand Name on the Bottle and the Box. If you have your own Art Work, it speeds up the process.
- Once you approved the Font/Artwork for your Bottle and Box, we send you samples of the Branded Box and Bottle and X20 Fragrance Samples so that you can choose one Fragrance
- Once you have chosen a Fragrance and you have approved the Art work, you can expect your order to be ready to be dispatched in 5 working days.
- When your order is ready to be dispatched, you pay the balance and we send your order immediately thereafter, to reach your doorstep in 3 to 5 working days.
